About

I'm a detail-oriented frontend developer with strong skills in **React.js**, **Next.js**, and **Tailwind CSS**. I build responsive, user-friendly web apps and write clean, maintainable code. Adaptable and fast-learning, I stay current with new technologies and bring a proactive, team-focused mindset. I'm now seeking a full-time frontend role where I can apply my skills, tackle challenges, and contribute to impactful projects.
